WE ARE HIRING

Job Title: Cloud Solutions Technical Intern

Location: Accra, Ghana

Job type: Internship

Application deadline: June 15th, 2025 – 23:59

About Us

Noldith is a leading provider of innovative cloud solutions, dedicated to helping businesses thrive in the digital age. With a focus on cutting-edge technologies and unparalleled customer service, we empower organizations to achieve their goals through cloud transformation.

Job Description

As a **Cloud Solutions Technical Intern** at Noldith, you will play a key role in driving the success of our clients' cloud initiatives. Working closely with our sales, engineering and customer success teams, you will be responsible for designing and implementing innovative cloud solutions that meet our clients' business objectives.

Key responsibilities

- Work closely with the sales team to understand client needs and design tailored cloud solutions.
- Help design secure, scalable, and compliant cloud architectures using AWS and Azure.

Qualifications

- Bachelor's degree in Computer Science, Engineering, or a related field.
- Must have at least one AWS or Microsoft certification.
- Strong interest in designing and implementing cloud solutions on platforms like AWS, Azure, or GCP.
- Solid understanding of cloud architecture, including microservices, containers, serverless, and DevOps practices.
- Strong communication and problem-solving skills.

Benefits

- Competitive stipends
- Flexible work schedule and Hybrid work options
- Continuous learning and professional development opportunities
- Collaborative and inclusive work environment with a focus on work-life balance.

How to apply

Interested candidates should submit their resume to _jobs@noldith.com_ with the subject line "*Application: Cloud Solutions Technical Intern – [Your Name]*".
